Advanced Safety	 SafeCut Guide Precision LED safety guide
	 SafetyCut Cartridge Retractable safety blade is only exposed when trimming
Short Description	Moderate use rotary paper trimmer with four types of blade - for the small office, home office.
Qty Per Carton	4
UPC Code	043859550456
Paragraph Copy	Electron A4 is designed for frequent use in the small office, home office environment. It has a 10 sheet cutting capacity and uses encapsulated SafeCut™ cartridges which only expose the blade when trimming, ensuring greater safety in use. It is supplied with 4 blade types (straight, wavy, perforated and fold) which can be stored integrally within the base of the machine and a paper clamp minimises paper movement, enabling a more accurate finish. An LED light projects a straight line which acts as a guide for straight cuts. The Electron A4 paper trimmer is manufactured with a durable metal base and comes with a 2 year warranty.
